

Intentional Parenting

Technology & School

The Rod - Objections

1. I love my children too much to spank them
2. I'm afraid that I will hurt them
3. I'm afraid that it will make them rebellious and angry
4. I'm afraid of teaching them to hit
5. It doesn't work
6. I'm afraid of being accused of child abuse

Last Week's Assignment

Talk through with your spouse what your approach to the rod is. Discuss and be on the same page. If these are new concepts, role play how you want it to look like.

Introductions

Share a memorable school experience.

or

How has technology impacted your parenting?

Train up a child in the way he should go;
even when he is old he will not depart
from it.

- Proverbs 22:6

Technology in the Home

Technology

- Good or bad?
- Tool or tyrant?
- Beware of unintended consequences.

Technology in its Proper Place

Proper Place	Out of Balance
Useful Tool	All Consuming
Serves Us	Addictive
Promotes Human Flourishing	Replaces Human Interactions
Augments our Parenting	Replaces our Parenting
Window to Knowledge	Door to Sin

What About AI and Kids / Education

Developing Competence

Competency Framework

Authoritative	Unconscious Competency
Proficient	Conscious Competency
Capable	Conscious Incompetency
Foundation	Unconscious Incompetency

What About AI and Kids / Education

- Don't introduce too early.
 - Example: Calculator
 - Example: *The Anxious Generation*
- Don't use for school
- Don't use if you want them to develop the skill
- Use to create, not to consume.

10 Techwise Commitments

2. We want to create more than we consume. So we fill the center of our home with things that reward skill and active engagement.

3. We are designed for rhythms of work and rest. So one hour a day, one day a week and one week a year, we turn off our devices and worship, feast, play and rest together

10 Techwise Commitments

5. We aim for “no screens before double digits” at school and at home. (age of kids)

8. Spouses have one another’s passwords and parents have total access to children’s devices.

10 Techwise Commitments

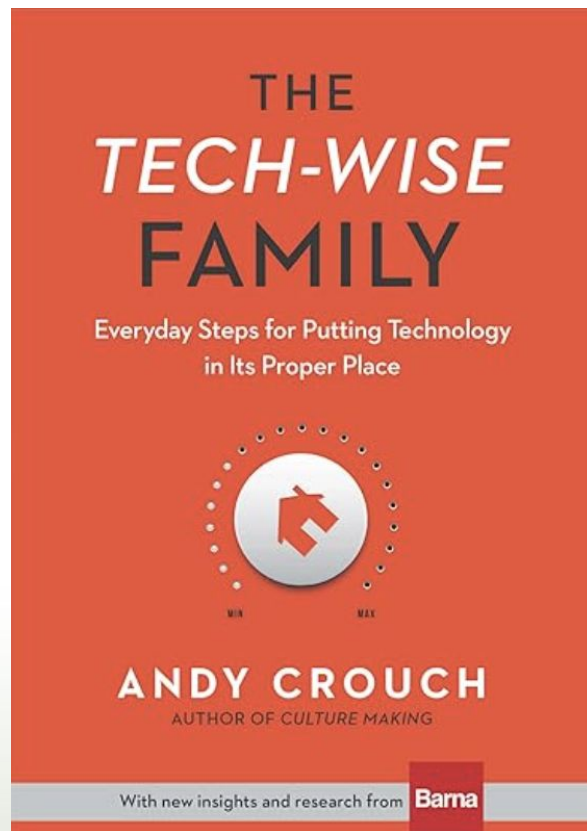

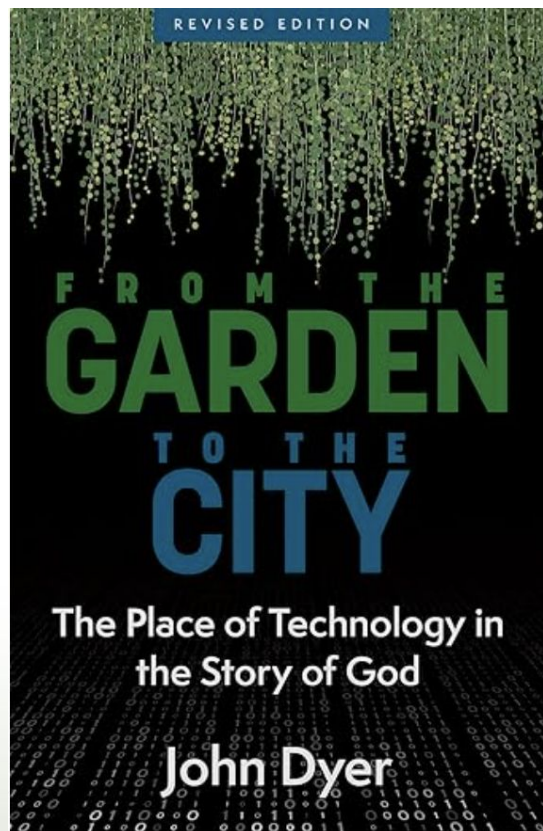

10. We show up in person for big events of life. We learn how to be human by being fully present at our moments of greatest vulnerability. We hope to die in one another's arms.

Williams Household

- Computers are in public places with screens visible.
- Kids didn't get smart phones until they graduate (or late their senior year—*Except Katrina :-)*)
- After movies, we usually discussed: “What were the themes?” “What did this movie teach us about God and people?” “What didn't align with scripture?”
- Strive to train the heart, because kids will find a way around filters.

School Options

Who is responsible for our children's education?

If we are responsible, what are the implications?

- You can make decisions about how to school your children.
- Be engaged and involved

Williams Household

- Shaping Experiences
 - Karen's student teaching experience
 - Jr. High SS Experience

Williams Household

- Guiding Principles
 - Solid Foundation when they are young (formative years)
 - Opportunity to engage with the world while still under our roof
 - Each child is different – take it year by year

Williams Household

- 3 Options available
- Homeschool through 8th grade, dual enroll through high school.

Train up a child in the way he should go;
even when he is old he will not depart
from it.

- Proverbs 22:6
